

New Congregational Ministries Have Been Created!

Please be aware and join in as you can in these new initiatives created to share resources needed among our members. Your participation in these can make an important difference to someone's quality of life, and we urge you to participate!

PUMC Medical Equipment Sharing Ministry

Do you have medical and home care equipment you are not currently using, that could be shared with someone else in need in our congregation? (E.g., wheelchair, walker, shower stool, etc.) We have created a sign-up sheet for you to register what you have for others to borrow, and we will match-make

between owner & borrower. This sign-up sheet will be in our church lobby starting this week, and we also invite you to call the church office at 717-545-3530 if you'd like us to add your info to the list. We would also welcome a coordinator for this exchange program ~ but until and unless this person emerges, Bonnie in the church office (Weds. & Fridays) will retrieve messages and coordinate this sharing of resources. We will be circulating this equipment for others' use, but you will retain ownership. If you have to get rid of your equipment permanently, it can be donated to the Mission Central program ([717-766-1533](tel:717-766-1533)).

PUMC Transportation Ministry ~ for Rides to Worship

Are you available to give a ride to worship and church activities, to someone who is not able to drive here and lives in proximity to you? A sign-up sheet for your availability will also be in the church lobby beginning this week, as we are launching this matching service. You may indicate your vehicle's capability and your times of availability, and we will match your offer with someone in need of transportation who otherwise would not be able to join us in person for fellowship. Again, a coordinator for this program and these matchups will be wonderful and is requested. However, in the meantime you are welcome to call the church office to register your interest and availability or your need - or sign up this Sunday on the sheet in lobby.
